

SU Group’s Shine Union Wins Prestigious Workplace Quality Award

Hong Kong, August 12, 2024 – SU Group Holdings Limited (Nasdaq: SUGP) (“SU Group” or the “Company”), an integrated security-related engineering services company in Hong Kong, today announced its wholly owned unit, Shine Union Limited, received a prestigious workplace quality award from The Employees Retraining Board (“ERB”).

The ERB launched its Manpower Developer Award to recognize organizations which demonstrate outstanding achievements in manpower training and development as Manpower Developers (“MDs”). More than 500 organizations from over 30 industries have been accredited as MDs under ERB’s award program.

The ERB’s program aims to cultivate a common social value of attaching great importance to manpower training and development, and foster strategic partnership with MDs through various employer activities for enhancing the quality of human resources in Hong Kong.

SU Group’s Chairman and CEO, Dave Chan, commented, “The ERB Manpower Developer Award recognizes the work of our entire team, and both our commitment and the high priority we put on employees training and development. Investing in training is not just about improving skills. This is a strategic decision that contributes to SU Group’s overall growth and success in numerous areas, including improved performance and productivity, and higher retention and on the job satisfaction. All of this combines to give us a competitive advantage as we focus on driving growth and building value for shareholders.”

About SU Group Holdings Limited

SU Group (Nasdaq: SUGP) is an integrated security-related services company that primarily provides security-related engineering services, security guarding and screening services, and related vocational training services in Hong Kong. Through its subsidiaries, SU Group has been providing turnkey services to the existing infrastructure or planned development of its customers through the design, supply, installation, and maintenance of security systems for over two decades. The security systems that SU Group provides services include threat detection systems, traffic and pedestrian control systems, and extra-low voltage systems in private and public sectors, including commercial properties, public facilities, and residential properties in Hong Kong. Forward-Looking Statements

Certain statements in this press release are forward-looking statements as defined by the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks and uncertainties and are based on the Company’s current expectations and projections about future events that the Company believes may affect its financial condition, results of operations, business strategy and financial needs. Investors can identify these forward-looking statements by words or phrases such as “anticipate,” “estimate,” “plan,” “project,” “continuing,” “ongoing,” “expect,” “we believe,” “we intend,” “may,” “should,” “will,” “could” and similar expressions. These statements are subject to uncertainties and risks including, but not limited to, the following: the Company’s ability to renew contracts with recurring customers; the Company’s ability to secure new contracts; the Company’s ability to accurately estimate risks and costs and perform contracts based on the Company’s estimates; the Company’s relationship with

the Company's suppliers and ability to manage quality issues of the systems; the Company's ability to obtain or renew the Company's registrations, licenses, and certificates; the Company's ability to manage the Company's subcontractors; the labor costs and the general condition of the labor market; the Company's ability to effectively manage inventories; the Company's ability to compete effectively; the Company's dependence on a small number of suppliers for a substantial portion of the Company's supplies; the Company's ability to successfully manage the Company's capacity expansion and allocation in response to changing industry and market conditions; implementation of the Company's expansion plans and the Company's ability to obtain capital resources for planned growth; the Company's ability to acquire sufficient products and obtain equipment and services from the Company's suppliers in suitable quantity and quality; the Company's dependence on key personnel; the Company's ability to expand into new businesses, industries, or internationally and to undertake mergers, acquisitions, investments, or divestments; changes in technology and competing products; general economic and political conditions, including those related to the security-related engineering services industry; possible disruptions in commercial activities caused by events such as natural disasters, terrorist activities, political, economic, and social instability, and fluctuations in foreign currency exchange rates, and assumptions underlying or related to any of the foregoing and other risks contained in reports filed by the Company with the Securities and Exchange Commission (the "SEC"), including the Company's most recently filed Annual Report on Form 20-F and its subsequent filings. The Company undertakes no obligation to update or revise publicly any forward-looking statements to reflect subsequent occurring events or circumstances, or changes in its expectations, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that such expectations will turn out to be correct, and the Company cautions investors that actual results may differ materially from the anticipated results and encourages investors to review other factors that may affect its future results in the Company's registration statement and other filings with the SEC.
